INNOVATION

Research and Development

Our commitment to innovation begins with our investment in research and development. We allocate a significant portion of our resources to R&D to ensure that we stay at the forefront of our industry and continually develop new products and solutions that meet the evolving needs of our customers.

Collaboration

We believe that collaboration is essential to innovation. That's why we work closely with our customers, suppliers and industry partners to identify emerging trends and develop new ideas that will help us stay ahead of the curve.

Entrepreneurial Spirit

We foster an entrepreneurial spirit within our organization by encouraging our employees to take risks, think creatively and pursue their ideas. We believe that everyone has the potential to contribute to our innovation efforts, and we empower our employees to take ownership of their projects and ideas.

Sustainability

Finally, we recognize that innovation must be sustainable to be successful. That's why we prioritize sustainability in all of our innovation efforts, ensuring that our products and solutions are environmentally friendly and socially responsible.

SECTORS

Haberdashery Crafts

Most Tekiș Lastik products are indispensable products for rubber bands, ribbons, ropes and trim. Tekiș Lastik rubber bands are designed for sewing, DIY, bracelets, jewelry, masks, bags, belts, headbands, seat covers, gift boxes and jewelry.

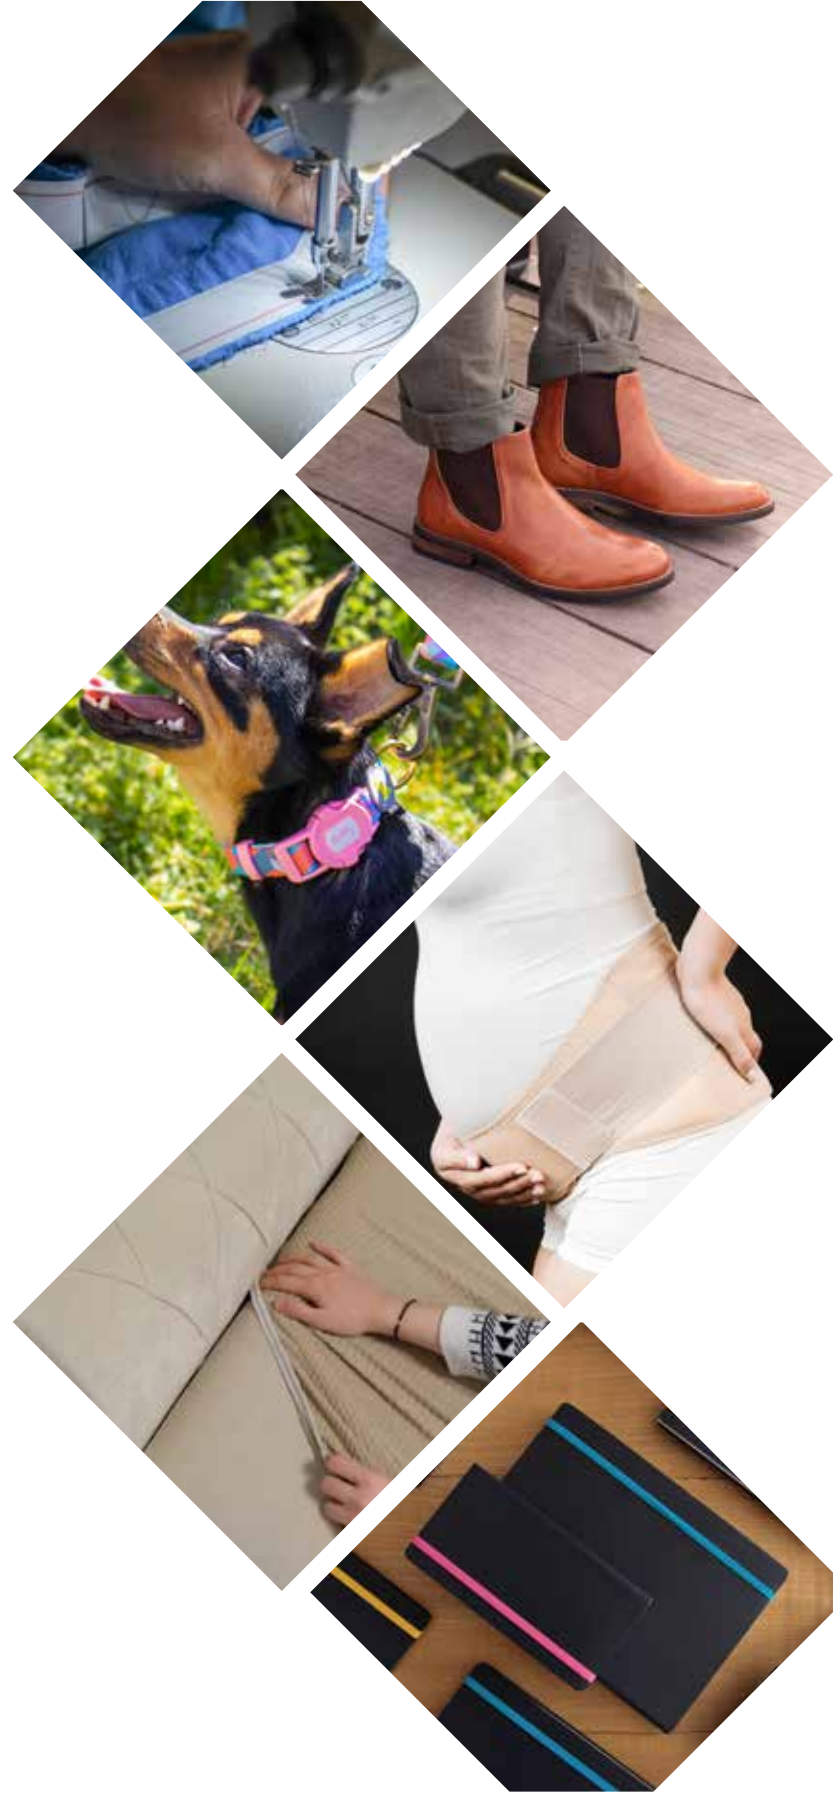

Garment Industry

Elastic and non-elastic narrow fabrics are for binding, joining, fitting the body, adding functionality, aesthetically completing, and embellishing the garments' neckline, armhole, waist, legs and edges.

Footwear Industry

In the dynamic realm of fashion and footwear, innovation and quality are key. Tekiș Lastik, a trusted name in the industry, is renowned for delivering innovation and quality to the footwear sector. With a legacy of excellence, Tekiș Lastik is the preferred partner for shoemakers globally. Our precision-engineered elastic cords, tapes and ribbons elevate both the performance and aesthetics of footwear products.

Pet Accessories: Cat & Dog Collars

In the realm of pet accessories, Tekiș Lastik stands out for its unwavering commitment to quality, durability and style. Specializing in woven pet products, including cat and dog collars, we prioritize your furry friends' comfort and security. With trendy designs and durable materials, Tekiș Lastik has all your pet's needs covered.

Home Textile

Narrow woven, braided elastics, and knitted items are used in most house products, both on the edges and entirely to embellish, trim, close, combine, bind, carry, fix, shape and provide comfort in usage.

Medical Industry

Medical Industry uses tapes in physical therapy and orthopaedic patients. Tapes are used as connectors, lifters and carriers in medical devices as lifesaving items. Moreover, it supports the patient's movement, back, wrist, knee, ankle and binding equipments.

Printing & Promotion

When it comes to printing and promotional materials, Tekiș Lastik stands out for quality, customization and reliability. Specializing in woven and knitted products, we offer diverse options for all your needs. With our commitment to quality and innovation, we ensure your branding stands out with custom designs and durable materials. Explore Tekiș Lastik for innovative solutions to meet your branding goals.
